PwC Director Training Programme

Training details

Duration: Two half-day sessions within a two-week period of one another

Venue: Experience Centre – PwC Waterfall, 4 Lisbon Lane, Midrand

Cost: R5,600.00 per person for the full course (2 x half day sessions)

Why this programme matters

In today's rapidly evolving governance environment, directors face growing scrutiny, complexity, and accountability. Whether you're newly appointed or an experienced board member, continuous learning is essential to remain effective and resilient.

Our two-part training programme equips directors with critical knowledge, strategic insights, and ethical frameworks to lead confidently and compliantly. Available on scheduled dates for individuals or tailored for organisational needs.

Programme overview

Day 1: Governance, legislation and tax

Lay the foundation for effective directorship.

Explore corporate governance principles, including King IV and V

- Understand board composition, independence, and integrated thinking
- Clarify the distinction between strategic oversight and operational involvement
- Gain insights into key legislation and tax updates impacting directors

Day 2: Ethics, leadership and risk

Focus on the human and strategic dimensions of leadership.

- Learn ethical decision-making frameworks and their link to long-term value
- Examine the "Six Paradoxes of Leadership" to challenge traditional models
- Strengthen risk management capabilities through the Three Lines of Defense
- Build operational resilience with scenario planning and assurance strategies
